

D.C. SCHOOLYARD

Greening

A Program of the D.C. Environmental Education Consortium

Get Out and Garden!

Do you want to create or enhance outdoor learning areas at your school but don't know where to start? DCEEC sponsored **Get Out and Garden!** is a unique one day workshop that offers 2 tracks designed to aid new and experienced gardeners alike in enhancing their school garden

Choose & Learn:

- Track 1 (Beginner) – (a) How to construct various **types of learning gardens** – i.e. raised beds, cold frames and trellises; (b) getting started with **funding strategies**, seed propagation and planting; (c) **teaching techniques** to help student investigate water, land management and air quality
- Track 2 (Intermediate) – (a) new ways to set up in-school **compost** and vermiculture demonstrations; (b) how to integrate **produce management and cooking** into garden programming; (c) tips and advice on **curriculum integration**

Receive:

- 6-hours of professional development credit
- A variety of garden-based curriculum and support materials
- Fruit tree planting session - how and when to plant fruit trees and tips on pruning, fruit thinning and other techniques to boost productivity
